Dear Devotee.....

Lord Rama has the same affection for Shri Hanumanji as he had for his younger brother Bharat. Shri Hanumanji's persona is immortal, eternal and emancipates positive energy & blessings.

As per the saintly tradition of Jairam Ashram, Shri Hanumanji is on the highest platform and is worshipped above all.

The son of Anjani, Lord Hanuman was the supreme God for His Holiness Shri Jai Ram ji Maharaj, Shri Ganga Swaroop ji Maharaj and my respectful "Gurudev" Shri Devendra Swaroop Brahmachari ji Maharaj. In the capacity of being a disciple of Jai Ram tradition, I am also devoted to Shri Hanumanji.

It has been the tradition of the saints to worship god. If we have to get good favour and blessings of Lord Ram, the only way is to worship Shri Hanumanji.

The great learned poet Swami Tulsidas Ji was blessed by Shri Hanumanji & got the divine darshan of Lord Rama & expressed his thought in Hanuman Chalisa as Under.

"Ram rasayan tumhare pasa. Sada raho raghupati ke dasa"

The life of our children should be well cultured where the domination of religion & culture, sincere devotion to their parents, devotion to duties, determination to social service, control over the body organs & giving up the worldly pleasures should be inculcated. With this good faith & determination, I am going to commence the work of "Shri Jairam Ashram & Shri Hanuman Mandir" at Beri, Distt. Jhajjar (Haryana).

There will be construction of a grand temple where a divine idol of Shri Hanuman Ji will be established. In the temple premises a Museum will be made which shall bear all context related to life of Shri Hanuman Ji. Very soon you will be invited to the Bhumi Poojan programme for the temple construction.

Yours

ब्रह्मसरोवर ब्रह्मचारी

(Brahmswaroop Brahmchari)

Appeal: "Shri Jairam Ashram & Hanuman Mandir" - request all the devotees to contribute to the best of their capacity for the auspicious work of construction of the temple & avail the opportunity of blessings of Shri Hanuman Ji.
